

## TRUCHARD VINEYARDS

### ROUSSANNE 2003

This white variety has been traditionally associated with the Northern Rhone. It has a delicate nose of lemon zest, pineapple, and honey; accented with honeysuckle and vanilla. The mouth is rich and creamy – with flavors of honeydew melon, green apple, and fresh pear. Firm acidity provides a crisp finish of citrus, mineral, and spice.—Sal de Ianni, *Winemaker*
