2009 Truchard Vineyards Chardonnay

This is a fine example of an elegant Napa Valley Chardonnay. Truchard's 2009 Chardonnay is crystal clear medium yellow wine with bright aromas of fresh pear, lemon zest, vanilla and fresh fig. Tropical fruits begin to appear with additional swirling. The citrus flavors mesh with the toasty oak, vanilla, honeysuckle and minerals with a balanced acidity for a lively but creamy finish. This wine spent 10 months sur lie in French oak, adding to the creamy and full textures. This wine will drink well for many years.
