## 2009 Truchard Vineyards Cabernet Franc

This Cabernet Franc from Truchard Vineyards is a blend of 95% Cab Franc and 5% Cabernet Sauvignon. While this wine is a little shy at first, some time in a decanter brings out bright and welcoming aromas of plum, vanilla pipe tobacco, toast and red raspberries. The air time also wakes up the layered flavors of red raspberry, cherry, vanilla, and sweet wood that are married with very delightful tannins and a medium to long finish. This wine is drinking beautifully and should last for until the turn of the decade. For such a small production, I consider this a very good value for the price.
