

Truchard Vineyards

Pinot Noir Napa Valley Carneros 2000

89 Points - In recent years, Truchard has been one of the most consistent wineries in the North Coast, and with prices that aren't an affront. This Pinot fits that bill; it offers blackberry, cola and vanilla aromas, tea, cherry and chocolate flavors and a smooth, dry, woody finish. All the elements are here, and in the right sequence and quantity. — W.E. (10/1/2002)
